## Family Day Care – National Recruitment Drive

As a result of recent events in the child care sector, there has been a growing demand for the high quality services offered by family day care.

In response to this demand family day care has commenced a large scale national recruitment drive for carers. The ongoing high demand for quality child care across Australia offers a wonderful and rewarding career opportunity with family day care and plays a pivotal role in supporting the families in our communities.

CEO of Family Day Care Australia Rhonda Bignell said "There are so very many families who are concerned about availability of quality child care, whilst we continue to assist as many families as possible with their child care needs we also recognise that more family day care carers are needed. Family day care provides an exciting career opportunity for those interested in a wonderful career working with children"

Family day care has been providing quality, nurturing child care to Australian families for over 30 years and will continue to do so with best outcomes for children as our driving force.
