Rosy noses raise funds

Not only did Family Day Care children wear their pyjamas to day care on Friday, but they also had their noses painted for Red Nose Day. Children's resource officer Hayley Stacey said it was a fun day as well as an opportunity to raise money for Red Nose Day. Red Nose Day, which is held annually on the last Friday in June, is the major fund-raiser for SIDS and Kids. SIDS and Kids is dedicated to saving the lives of babies and children during pregnancy, birth, infancy and childhood and to supporting bereaved families.
